Subject/Title: CAISO Tariff Amendment 72 Reporting Requirements

Summary: The CAISO has revised the Tariff Amendment 72 questions and answers posted in the CAISO web site.

Main Text: The CAISO has revised the Tariff Amendment 72 (Day Ahead Scheduling by Scheduling Coordinators) questions and answers posted on the CAISO web site at <http://www1.caiso.com/14d8/14d8aabc1af90.html>. The questions and answers clarify that the Federal Energy Regulatory Commission (FERC) has granted an extension of time to February 3, 2006 for generators to comply with the Amendment 72 requirements (Question 9) the exemption from the Amendment 72 requirements for Scheduling Coordinators without actual Demand for a particular week (Question 16), for certain RMR Contract Energy scheduled pursuant to Tariff Section 2.2.12.2.2 (Question 17), and for Demand scheduled to self-provide Transmission Losses for non-dynamically scheduled System Resources pursuant to ISO Tariff Section 7.4.1 (Question 18).
