**APPLICATION CHECKLIST**

Completing this checklist will expedite the application process because it ensures that all relevant information has been included with the application.

1. Owner-Applicant name and contact information
2. Generating Unit information (e.g., Resource IDs and locations)
3. Intended Station Power
4. Description of Third-Party Supply arrangement
5. One-line diagrams
6. Station Power Portfolio Overview
7. \$500 Application Fee
8. Executed by an employee of the Owner-Applicant who has sufficient authority
9. Application and required documentation has been sent to the [stationpower@caiso.com](mailto:stationpower@caiso.com) mailbox.
