

CAISO MARKET NOTICE

Requested Client Action: Mark Your Calendars, Request for Written Comments

Categories: Grid Operations, ISO News and Information, Legal and Regulatory, Market Operations, Market Rules and Market Design

Subject: New Large Generating Facility Centralized Interconnection Study Process Tariff Language, Large Generator Interconnection Procedures

Summary: The CAISO is presenting and seeking stakeholder input regarding proposed CAISO Tariff language to implement a new Large Generating Facility centralized interconnection study process pursuant to two recent FERC orders. CAISO Tariff language will be filed with FERC on October 14, 2005 in accordance with prior FERC directives. Proposed CAISO Tariff language has been posted on the following web site that has been established for this stakeholder process:

<http://www.caiso.com/docs/2005/08/29/2005082914320512923.html>.

Stakeholders will be briefed on the proposed CAISO Tariff language at a stakeholder meeting on September 13, 2005 from 10:00 a.m. – 4:00 p.m. at the CAISO Boardroom in Building 101A in Folsom, California. An agenda for the September 13, 2005 meeting has been posted to the web site.

Written comments on the proposed CAISO Tariff language are due by the close of business on September 20, 2005. Written comments should be submitted to tfrench@caiso.com <<mailto:tfrench@caiso.com>>. Stakeholders are also welcome to submit written comments prior to the September 13, 2005 stakeholder meeting.

To RSVP for the meeting on September 13, 2005, please do so by September 9, 2005 to the CAISO Stakeholder Meeting Center at SMC@caiso.com.

Main Text: On August 31, 2005, the CAISO issued a Market Notice announcing stakeholder meetings scheduled for September 13 and 30, 2005 from 10:00 a.m. – 4:00 p.m. in the CAISO Boardroom in Building 101A, 151 Blue Ravine Road, Folsom, CA, to comply with the specific provisions of two recent FERC Orders directing the development of a centralized interconnection study process. CAISO Tariff language will be filed with FERC on October 14, 2005 in accordance with prior FERC directives.

To facilitate the stakeholder process, the CAISO has established a specific web site solely for documents associated with this stakeholder process. The site is located at the following address:

<http://www.caiso.com/docs/2005/08/29/2005082914320512923.html>.

The CAISO has posted proposed CAISO Tariff language to this web site. An agenda for the September 13, 2005 stakeholder meeting, and useful background information, also have been posted to this web site.

The CAISO encourages stakeholders to review the documents that have been posted to the web site and be prepared to offer initial comments and feedback at the September 13, 2005 stakeholder meeting. The CAISO plans to use the September 13, 2005 meeting to provide background information, and discuss the basis for the proposed CAISO Tariff language, to facilitate stakeholder comments. Written stakeholder comments are due by the close of business on September 20, 2005. Stakeholders are welcome to submit written comments prior to the September 13, 2005 stakeholder meeting. Space has been reserved on the web site, where the CAISO will post written comments received from stakeholders. Written comments should be submitted to tfrench@caiso.com <<mailto:tfrench@caiso.com>>.

The CAISO plans to issue revised proposed CAISO Tariff language following the September 13, 2005 stakeholder meeting and the September 20, 2005 due date for written comments. The revised proposal will be posted to the web site prior to the September 30, 2005 stakeholder meeting. The CAISO also will post the CAISO response to stakeholder comments.

To RSVP for the meetings on September 13 and 30, 2005, please do so by September 9, 2005 to the CAISO Stakeholder Meeting Center at SMC@caiso.com. There also will be an opportunity at a later date to RSVP for the September 30, 2005 Stakeholder Meeting.
